About Me

A web developer with a proven track record at TechniqalGroup MCS, where I excelled in developing app solutions using Javascript (JQuery, React, Typescript), MySQL, and Laravel. Demonstrated expertise in engaging with clients to refine project goals, significantly enhancing project outcomes. Skilled in both technical problem-solving and effective communication, ensuring projects exceed expectations without exceeding deadlines.

Experience

TechniqalGroup MCS   **2020 - 2025**
Baguio City, Benguet, Philippines 2600

- Discussed project progress with customers, collected feedback on different stages and directly addressed concerns.
- Used Javascript (JQuery, React, Typescript), MySQL, and Laravel to develop app solutions.
- Reviewed code, debugged problems, and corrected issues.
- Managed development milestones from initial steps through final delivery using Amazon Web Services.
